### CHILE CON CARNE:

Made with our New Mexico Red Chiles and bits of braised pork and caramelized onion. Great over Cheese Enchiladas or try it with our Frijoles and a couple of flour tortillas.

### ROHO:

A good sauce for those who don't want too hot or spicy. made with roasted tomatoes, cilantro, onion, and spices, we use this sauce on our Olers Original Tostizza.

### GREEN CHILE SAUCE:

We combine our New Mexico Green Chiles with tomatoes, caramelized onion, chicken stock, and spices to create a rich and flavorful compliment to any dish.

### HATCH GREEN CHILES:

This is our house favorite. A thick and smoky blend of fire roasted New Mexico chiles, caramelized onion, and spices. Add it in your next burrito.

### CASTAÑO:

Olers original Brown sauce made from chicken base, caramelized onion, mild chile powder and garlic. We have had this available from the beginning (1981), a time tested recipe. We serve it with all of our homemade Tamales. Add it on a Beef & Been Enchilada. You'll like it!

### RED CHILE:

A smooth deep red sauce made from New Mexico Red Chile Powder. Good with beef. We recommend it on our Cowboy Dinner.

### CREAMY JALAPEÑO:

A blend of fresh jalapeño and bell peppers, celery, onion, cilantro in a creamy white sauce. We think it's best with chicken but believe me it's good on everything!

### ENCHILADA SAUCE:

A smooth tomato based sauce.  
No heat just a nice simple veggie flavor.
